## 1. MORIDHAL COLLEGE : AN OVERVIEW

Moridhal College, located at a distance about 8 Kms from the district head quarter towards its North direction along the **National Highway No. 15 in between Dhemaji and Silapathar town was established in the year 1988 at Moridhal under Dhemaji Sub-division in the District of Dhemaji, Assam.** It is the only premiere institution imparting higher education to the learners of the poor and downtrodden families of a vast rural area inhabited by diverse ethnic communities, mostly ST(P), SC and OBC people.

Moridhal College is a co-educational institution having undergraduate courses of both B.A. & B.Sc., H.S. (Arts and Science) streams. PGDCA and PG programmes under DODL, Dibrugarh University. It is well equipped with sufficient infrastructure and modern technological gadgets and provides a congenial atmosphere for education and all round development of students suitable for the demand of the twenty first century. The college has a good reputation in games and sports and other co-curricular activities under Dibrugarh University as well as in the region. The college has an NSS unit with 100 volunteers under D.U. Since its inception, the college has been giving due attention to carry on various extension works in the neighbouring areas for the development of the community along with the teaching-learning activities. Constant effort is being made to provide value based education so as to inculcate social, moral and ethical values among the students for shaping and moulding their mindset to create a good and responsible citizen.

### 3. Course of Study for B.A./B.Sc. Programme:

Being an affiliated college, Moridhal College follows the Dibrugarh University Regulation of B.A./B.Sc./B.Com. Programme of six semester degree course for three years duration. Dibrugarh University is introducing **Choice Based Credit System (CBCS)** at undergraduate level from 2019-2020 Academic Session by implementing the **Dibrugarh University Regulations for the Undergraduate Academic Programmes in the Choice Based Credit System (CBCS), 2018**.

The CBCS is a flexible system of learning for selecting or opting subjects and courses according to students' own interest and choice. Some of the key concepts followed in the CBCS are:

- Credit :** Quantum of contents / syllabus prescribed for a course and determines number of hours of instruction required.
- Course :** A course is a unit of instruction or segment of subject area under any programme. The traditional concept 'Paper' is replaced by 'Course'.
- Honours:** The traditional concept 'Major' is replaced by 'Honours' which is the core requirement of a programme for securing degree in a specialized area or subject.

### 3 (A). Courses of Study in B.A. under CBCS:

*The course structure of B.A. (Honours) and B.A. (Non-Honours) is given below:*

### **SWAYAM :**

Swayam is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz. access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

The course hosted on SWAYAM are in 4 quadrants -- (1) video lecture (2) specially prepared reading material that can be downloaded/printed (3) self-assessment tests through tests and quizzes and (4) an online discussion forum for clearing the doubts. Steps have been taken to enrich the learning experience by using audio-video and multi-media and state of the art pedagogy / technology.

Courses delivered through SWAYAM are available on free of cost to the learners, however intending students registered, shall be offered a certificate on successful completion of the course, with a little fee. At the end of each course, there will be an assessment of the student through proctored examination and the marks/grades secured in this exam could be transferred to the academic record of the students.

In effect, Moridhal College has introduced SWAYAM from the academic session 2018-19 and a Coordination Committee constituted for effective implementation.
